Model Search 2019

Model Search gives 20 students throughout Indiana a chance to participate in our annual prom photo shoot and have a chance to receive a \$1,000 college scholarship courtesy of Louie's Tux Shop! 10 students are selected following online voting and an additional 10 students receive personal invitations from our selection committee.

Students from all over the state submitted their entries. After the automatic entries were announced, ACT II Talent & Modeling Agency along with our marketing board selected the remainder of this year's cast. We thank all of the 400+ students that entered this year's contest along with the faculty that helped promote it. We cannot wait to do it again in the fall of 2019.

Things to Do Early:

Things to Do Later:

1. Choose your date

If you are waiting on him you might be waiting for awhile. If you are going as a group it's time to round them up and start planning.

2. Shop that Dress

Get out there and shop! Looking online is fun for ideas but going to the prom store is so much better! See touch & feel your perfect dress.

3. Shop them Shoes

Well of course this is next! The perfect dress must have the perfect pair of shoes. Shop till you drop make sure they are comfortable.

4. Reservations

If you are going fancy you better reserve your seats well in advance. Getting the best restaurant will depend on how early you book it.

5. Who is driving what

It may seem silly but determining who is driving you and your prom crew is VERY important and should be done EARLY.

1. Buy Tickets

Someone has to buy tickets. It's a prom thing. If you are going with a date, you best get him moving along on this one. Check on sale dates at school and plan accordingly.

2. Accessorize

Time to refine your look with the jewelry and purse that will compliment your look and help you stand out in the crowd. Don't forget to get your prom garter at Louie's Tux Shop!

3. Hair

Shop styles online and get to that salon or maybe trade styling skills with your best friend. Nothing worse than hair that is not cooperating on the big night.

4. Makeup

If you have skills you should be good to go. If not it would be well spent to stop by the local makeup studio or kiosk at the mall.

5. Pics Pics Pics

Everything is now set and the limo is out front waiting. You will be taking pics all night but before you go make sure to get some for your parents. They are just as excited as you are.
